DUO DECK

Portable Turntable and Cassette Deck with USB

Play and convert your favorite records and cassettes anywhere.

In the car, on your desk, even in your backpack: DUO DECK is a turntable and cassette player that can fit virtually anywhere and go everywhere.

Powered by four AA batteries and featuring a built-in speaker and an incredibly compact design, DUO DECK is ready to move. Bring it outside, on trips, to college, even to the beach. DUO DECK has everything you need to enjoy your vinyl or cassette collection wherever you are.

It's the no-clutter desktop turntable and cassette deck: DUO DECK is equally suited to be your ideal home or office record player. Set DUO DECK on your desk and use the included USB adapter for power. You can even use the 1/8" headphone output to listen to your records without disturbing others, or expand your sound by connecting DUO DECK to a speaker system.

DUO DECK makes your music portable in more ways than one. Connect DUO DECK to your Mac or PC using the included USB cable and you're ready to transfer your music and convert it to MP3s. Plus, EZ Converter software is included to make the process as easy as possible.

Get your music moving with DUO DECK from ION Audio.
